The Secret Diary of Adrian Mole - Aged 8 1/2 years

I learned some facts of life this week, which has made me feel more intellectual than ever!

It began when I noticed that mum had been getting incredible fat!

The vitamins used to tell me off for eating cheese and banana & raw egg and lettuce sandwiches, but now she's eating it herself!

I tried to persuade her to go on a diet, but she would let anything come in her way!

I complained to dad about this weird behaviour. He told me it was time for a "man-to-man talk".

I thought he was going to tell me off for using too much cat-sillars in, but instead it was just saying as he...

He said that mum was expecting a new member of the family, and that I was now a boy's brother or sister in a row matter. That's why she was acting strange!

I'm glad and tried out him that I know these "facts of life" I've got time to prepare myself psychologically...

...and time to build a landing pad for the stars that will bring the babies...

ENTERTAINMENTS USA!

News from New Pork, Hoggywood, Los Hamgeles, and the rest of the States from Hogathan King, the world's most popular D.J. (according to him)!

HAM SINATRA is making his 15th comeback tour later this year. He's coming out of retirement to promote his new album *Dooby Dooby Louie Louie*. Of Pig Eyes hopes that the proceeds from this record will pay for his latest expensive hair transplant. Shame you haven't got a luxurious growth of hair like mine, Ham—I can't be much fun being a bald old boar.

Partly pop-star **LUNCHEONMEATLOAF** has lost weight—he's had his waist-length hair cut off. Pity you're not naturally slim like me, Micky—then you wouldn't have to go to such hair-raising lengths to lose weight.

NICK HAMEN, the pretty pig who became famous through appearing in adverts for jeans, is disappointed that he hasn't been offered any more challenging film parts. I thought I'd be pocketing a lot of cash, so I've, but it seems that unless something turns up, my career will hit rock-bottom. I could give some riveting performances, if only film producers hadn't labelled me as someone who can only think about jeans! Shame you're not multi-talented like me, Nick—then your career wouldn't need a leg-up!

GEORGE LUCAS has lost millions of dollars with his box-office flop film *Howie the Duck*. You should have spoken to me before you released it, George—I could have told you that your duck would be a turkey!

Overbearing overlord **UNCLE PIGG** has sacked his American correspondent, lovable **HOGATHAN KING**, for allegedly being arrogant and big-headed. Why, that stupid hog! If he took my advice, he'd...

If Hogathan had asked my advice, I'd have told him never to insult a comic editor who owns a helicopter and a 10-ton anvil.
